Re: Personal Reference Letter for Nageswar Keetha and Sunita Manchala.

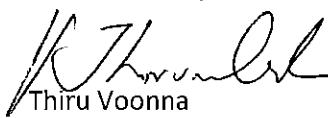

Dear Members of the Board,

I met, Nageswar Keetha, in the year 2001 when we came together to US from India to work for the same company as Software Engineers in New Jersey. Since then, for last 16 years, we have been close friends, currently live in the neighboring cities, and enjoy time together and frequently meet with our families.

I currently work as Software Architect at Verizon located at 51 ImClone Dr Brachburg NJ. I take this opportunity to write in support of Nageswar Keetha and Sunita Manchala to purchase a Co-Op apartment in Riverdale, NY. Both of them are accomplished professionally and are responsible individuals. They are family oriented and exceptional people, would be wonderful, trustworthy and valuable residents of your Co-op community. I was impressed by their integrity and warm nature, be it in professional or social circles, in the many years that I have known them, I have always found them to be thoughtful, respectful and caring for others.

I can vouch that they have exhibited highest ethical conduct, integrity and character. As a long term home owner myself, I understand the responsibilities involved and I am fully comfortable and confident in recommending Nageswar and Sunita for your cooperative building. Please feel free to contact me if you have further questions.

Yours Sincerely,

Thiru Voonna 9/19/2016
